

Group Build Days with Habitat for Humanity Las Vegas

We welcome volunteers of all skills levels to our construction sites—we are happy to teach newcomers!

- Volunteers should arrive on the worksite promptly at 7:30am and the day will finish at 2:30pm. Lunch is usually around 11:30am.
- Volunteers should arrange their own lunch and any additional refreshments they might want.
- **Sturdy, closed-toe shoes are absolutely mandatory** (sneakers and hiking boots are ok).
- Volunteers should wear weather appropriate clothing that can get dirty.
- Habitat Las Vegas provides professional supervision, tools, safety equipment, and water.
- All volunteers will need to sign a waiver before beginning work on the construction site.
- All volunteers must be over the age of 16—those between 16 and 18 must have a waiver signed by a parent or guardian and be accompanied by a parent or guardian on the construction site.
- We can accommodate groups of 10-30 volunteers on our construction sites.
- To reserve a build day, contact the Volunteer Services Manager, Kelli Kristo, with your preferred date and group size. We encourage you to reserve a day several weeks in advance!
- Once you have reserved your build day, the Volunteer Services Manager will inform you as to the precise location of the worksite closer to the build day.

****We encourage groups to participate in our fundraising challenge by sponsoring their build day. The sponsorship covers construction costs, safety equipment, and professional supervision on the site.****
