

Welcome to our new Orientation Program! Offered through HFHI we request that **ALL** construction volunteers complete this safety program.

The new volunteer course presents detailed information on a wide range of common safety risks found on and around the jobsite. From tasks typically performed, to safety tasks and more, this course provides thorough training that can educate you before you arrive on the jobsite. Simply visit this FREE website at [www.hfhvolunteerinsurance.com](http://www.hfhvolunteerinsurance.com). Everything you need to get started is right there.

Click on "Course Instructions", next click on "Take Volunteer Course Now".

You should be at Safety Courses page, click on "Volunteering on a Habitat for Humanity Job Site"

Those without a computer are welcome to come to our office at 1757 North East Avenue, during normal business hours and use the Volunteer Computer Station in the office.

Whether you are a brand new volunteer or a founding member of the affiliate, **please take 20 minutes and complete the course**. Your life or the life of someone else could depend on it!
